Dear Sir:

Remediation Technologies, Inc., (hereinafter Remediation Tech.)
having its principal place of business at 8666 E. Traverse Highway, in
Traverse City, Michigan, represents that it is the owner of the full (100%) and
exclusive rights, title, and interest in the above-identified patent application
Serial No. 09/919,403, filed July 31, 2001, for an "ENHANCED DISSOLVED
OXYGEN GROUNDWATER REMEDIATION METHOD AND SYSTEM", as
evidenced by the records of the United States Patent Office.

Remediation Tech. hereby disclaims, except as provided below, the
terminal part of the statutory term of any patent granted on the instant
application, which would extend beyond the expiration date of the full
statutory term defined in 35 U.S.C. 154, 156, and 173, as presently shortened

U.S.S.N. 09/919,403

by any terminal disclaimer, of prior patent No. 6,517,288 B2. Remediation Tech. hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, Remediation Tech. does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154, 156, and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The undersigned is an attorney of record.
